**Subject:** Re: Scheduling PREDICT Sierra Leone, Guinea, Libera (EHP) CALL

Hi Brian,  
I'll be on vacation next week, but if Emma's available she can give an update for Liberia.

I think having a standing date is a good idea. EHA stacks meetings on Tuesday's, and we have a weekly 12 pm. Would 1pm ET be possible, instead?

Cheers,  
Jon

Hi everyone,

Please respond with your preference for an EHP update call:

**Monday July 17<sup>th</sup>: 10-11 Pacific; 1-2PM Eastern**

Or

**Tuesday July 18<sup>th</sup>: 10-11 Pacific; 1-2 PM Eastern.**

To get us more regular, ☺, going forward we will move to a regularly scheduled call on the first Tuesday of each month 9-10AM pacific, 12-1PM Eastern.

That would be:

Aug1

Sept 5

Oct 3

Nov 7

Dec 5

Standing agenda items (feel free to add more):

- DC and Mission communications
- Budgets/funding
- Transitions update
- Sampling updates
- Training updates (lab, field, etc)
- Partner updates

Thanks!
